I am a 12<sup>th</sup> grader from Arcadia. This winter break, I had the pleasure of going to Taiwan to visit several monumental locations in Taiwan's history. I thoroughly enjoyed this trip because I was able to visit family members that I had not seen in a very long time and was able to gain the experience of teaching foreign students about a culture we have in the US.

I am a 10<sup>th</sup> grader from Palos Verdes. I went to Taiwan for the first time this winter break. Even though I speak absolutely no Chinese, I had a fun time learning about the Taiwanese culture. My favorite part was when we got to go to the Taiwanese girls' high school and I got to make some new Taiwanese friends. Also I enjoyed teaching the children English.
